PUBLIC WORKS SECRETARIAT.

Grant of land at concession rates to labourers settling in the Irwin Canal tract.

READ—

Letter No. 4164—C. S., dated 14th December 1931, from the Secretary, Krishnarajasagara Working Committee, forwarding copy of resolution passed by the Krishnarajasagara Working Committee at their meeting held on 23rd November 1931 in re grant of land at concession rates to labourers settling in the Irwin Canal tract.

(2) Note No. 239—K. S. S., dated 22nd December 1931, by the Secretary to Government Krishnarajasagara Works on the above subject.

ORDER No. 1220-31—K. S. S. 4181-92, DATED 29—30TH JANUARY 1932.

The Krishnarajasagara Working Committee considered at their meeting held on 23rd November 1931, the question of granting Government irrigable lands at concession rates to Wodders and other labourers settling in the Irwin Canal locality, and the following resolution was passed by them:—

“Resolved that a maximum area of 500 acres of land may be set apart for grant as proposed by the Chief Engineer, Krishnarajasagara Works, and that Wodders and labourers selected by the Chief Engineer, Krishnarajasagara Works, may be given lands at concession rates subject to a maximum reduction of 20 per cent on the upset price fixed for the lands and to a maximum grant of two acres per individual family, the lands so granted being made non-alienable for a period of ten years.”

2. As trained labourers would be required for the maintenance of the Irwin Canal now and then, it would be advantageous to have a number of Woddors settled down upon small bits of lands wherever available in the Irwin Canal area, who would otherwise be leaving the locality after the completion of the Canal Works. Government are, therefore, pleased to approve of the above recommendation of the Krishnarajasagara Working Committee. The grant of lands will be made by the Deputy Commissioner, Mysore District, on the recommendation of the Chief Engineer, Krishnarajasagara Works.

S. SRINIVASA AIYAR,
Offg. Secretary to Government,
Krishnarajasagara Works.
